HUMPHREYS' SPECIFIC HOMOEOPATHIC REMEDIES

The Remedies are carefully prepared under the direct supervision and inspection of Prof. HUMPHREYS, in order to meet that great and constant want of the public, a remedy for all the more common and simple ailments of life.

From the selection will show that a vast majority of diseases from which we suffer and die, were, at their commencement, simple and trifling. A single dose of a single diaphoretic, a salt in the skin, or a headache, or hoarseness, at first easily cured and subdued, in time becomes a consumption, a fever, a dysentery, a dyspepsia, a group or other disease, which all the powers of a great life fail to arrest.

Hence these remedies supply a safe, sure, and pleasant, so as to cause no repugnance—safe, as they contain no risk, while the curative effects are positive and certain, they are taken at once the spell is broken and the danger allayed.

Experience has confirmed the use of these remedies for the families and private persons, as being the BEST at use, the MOST SIMPLE and CONVENIENT, the MOST EFFECTIVE and RELIABLE.

Thousands are and have been taken for them some five years past, in every section of the country, with almost unvarying success. All speak in the highest terms of their simplicity and certainty, and among our hundreds of agents the uniform testimony is, that they give good satisfaction to their customers.

DR. KEYSER IS PREPARED AT ANY TIME TO EXAMINE LUNGS WITHOUT CHARGE, FOR ALL THOSE WHO NEED HIS MEDICINE.

ATTEND TO YOUR COLDS—A case of fire-breasted cough cured by **DR. KEYSER'S PECTORAL SYRUP.**

PITTSBURGH, JAN. 11, 1880.

DR. KEYSER—My wife has been afflicted with a cough and difficulty of breathing, for five or six weeks, for several years past, had gradually increased in violence, and her complaint has been heretofore, and has been treated by several physicians without any permanent relief. I procured a bottle of your Pectoral Cough Syrup. I bought, the first time, a five-cent bottle, which relieved her very much; I then purchased a dollar bottle which cured her entirely, and she has now no trace of the former disease, except scars. I would also state that I used the medicine with great success in the case of my son, aged one year, by using one dose. I express my entire satisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

W. W. WILSON,
Altamont Fifth Ward

PITTSBURGH, NOV. 18, 1880.

DR. KEYSER—Although not an advocate of Pat. Medicines, in general, it affords me pleasure to state that I have used your Pectoral Cough Syrup, as a remedy, in several cases, and I can truly say that I think it is well worthy the attention of any person who may be afflicted with a cough, cold, croup, or any ailment of any kind, and for the peculiar qualifications for moving all that disagreeable sensation attending a violent cough.

I have been, more or less, in my life, afflicted with several of colds and hoarse-ness. At times my throat would become so closed as to prevent my uttering a whisper, and by taking a few doses of the above Syrup I would relieve me entirely.

In recommending this medicine, I must unhesitatingly say that it is the best remedy I ever found, purporting to cure colds, coughs, croup, and all ailments of the throat, and I have used it many times, and have found it a remedy for diseases so prevalent.

Yours, most respectfully,
